THE FOUR REPRESENTATIVE
European Art Journals.

I.

L'ART: An International Art Journal.

Handsomely printed on heavy toned paper, and illustrated with several hundred engravings on wood from drawings and pictures by celebrated contemporary artists, examples of antique and modern sculpture, objects of Art Industry in all branches, and a series of superbly executed etchings, by the best living etchers, executed expressly for this work; being principally from the more noticeable pictures exhibited in the Salons of Europe, carefully printed on Holland paper. Forming four volumes a year. \$32.00 per annum.

"Nowhere but in Paris could such a Review be produced every week as *L'Art*, so magnificent in every respect, paper, typography, illustrations, and, above all, so many sided in its view of art, and so abundant and interesting in its information. It has now been brought to the fourth year of its life, with every sign of assured and increasing vigor, and we are glad to learn, from the report of the editor to the subscribers, that something more substantial than the *succès d'estime* has rewarded the experiment of such a costly venture. . . . It is simply the cheapest and the best thing of its kind."

"There is some monotony in praising each successive portion of a periodical as it appears with an absolutely equal cordiality; but the evenness of merit in *L'Art* makes this uniformity of commendation a duty."—*The Nation*.

"America is so destitute of illustrated works which can at all compare with *L'Art* that she cannot do better than study and enjoy this French publication. Certainly there is no other means by which so many valuable pictures can be obtained at so small a price."—*The Christian Union*.

"Sumptuous in paper and type, lavish in illustrations, and with critical and explanatory text of singular merit; the most famous of modern art journals."—*N. Y. Times*.

II.

GAZETTE DES BEAUX ARTS.

A Monthly Illustrated and Critical Journal.

\$15.00 per annum.

For twenty-one years the *Gazette des Beaux Arts* has enjoyed a European reputation. From the very

first it has been the channel through which have flowed the best artistic talent and critical eloquence of the day. Each monthly part consists of about ninety pages, embellished with a luxury of fine cuts and reproductions, besides which there are inserted every month a number of magnificent etchings by the first living masters of aqua fortis, which have made the *Gazette* supreme in the annals of the art. The finest efforts of Jacquemart, Flameng, Rajon, Waltner, Lalauze, Mongin, Gaillard, Laguillermie, etc. This publication in fact is the established classic of Art in periodic form. Besides its monthly parts, forming over one thousand pages per year (size 11¼ x 7¼ inches), the *Gazette* supplies gratis a weekly supplement called the *Chronique*, containing art-news, notices and prices of important sales and current topics of interest.

III.

THE PORTFOLIO.

An Artistic Periodical, edited by PHILIP GILBERT HAMERTON. Illustrated with Etchings, Autotypes, Woodcuts, Fac-similes, Engravings, Heliogravures, etc., etc. Published monthly. \$10.00 per annum. Sent, postage free, to any part of the United States on receipt of the subscription price.

"Dealing with artistic subjects generally, and always in a spirit of intelligence and refinement."—*Critic*.

"To the *Portfolio* is unanimously accorded the first place as an artistic periodical."—*Cambridge Chronicle*.

"The *Portfolio* is very charming. An Art periodical far superior to anything which has hitherto appeared."—*Courier*.

"From the first it has stood nearly alone as really 'an artistic periodical.' An hour spent over the *Portfolio* is one of refreshment, encouragement, and unalloyed delight."—*Spectator*.

"Of the etchings the merits are unquestionable; indeed, the work is enriched with some of the finest examples. The literary part is generally worthy of praise for being scholarly, graceful, and interesting."—*Athenaeum*.

IV.

THE ETCHER.

A Magazine of the Etched Work of Artists.

Published monthly. \$12.00 per annum.

The main feature of the *Etcher* will be, as far as possible, to lay before the public, at a moderate price, the original works of English and Foreign artists and amateurs with the etching needle.
